1. A new radio transmitter station is being built north of the village of Radomysl, on the left side of the state highway Radomysl - Sedlice and to the right of the road Radomysl - Laz. Construction is being carried out by the Czechoslovak Building Enterprises, National Corporation from Pisek, local branch in Strakonice.
2. The levelling of the ground and construction of steel parts has already been completed. The building will be "L"-shaped, 30 x 40 x 15 meters, and will be two stories high. It is being made of concrete and brick. The basement is divided by concrete walls in several rooms; the foundation is of concrete, 45 centimeters thick.
3. the Czechoslovak Building Enterprises in Pisek carry out only industrial constructions.
